

RSCC Parking Pattern

10401 Fernwood Road - The Atrium at Rock Spring Park

- Enter the complex from Rockledge Dr. or Rock Spring Dr. If you enter from Rock Spring Dr., please use the parking garage (20 minutes free) or drive around the pond to use the drop off spaces. DO NOT pull into the drop off spaces backwards or turn around in the drop off lane. You must have a Rock Spring magnet or sticker on your car to use spaces marked for the School.
- You can access RSCC using the main building entrance and go down one level or by using the direct entrance to the School by the play areas.
- When the drop off spaces are full, please find a parking space around the pond or in the parking garage.
- Please drive gently in the office park. There are children going to and from their cars.
- Please DO NOT park in the driveway to the loading dock or in the fire lane across from the drop off spaces.
